# SecurityScorecard's ISAC Partner Program

**Making the world a safer place**

SecurityScorecard is proud to support industry ISACs through our ISAC Partner Program, furthering our mission to make the world a safer place by supporting the industries that enable our daily lives.

**SecurityScorecard's ISAC Partner Program**, established in 2020, aims to support ISAC members and the collective supply chains they form with respect to understanding and securing their own environments, the suppliers and vendors that they rely on to run their businesses and the collective supply chains that they form.

## We currently have the privilege of calling on the following ISACs as partners and program participants:

MINING AND METALS ISAC · CyberShare · Maritime Transportation System ISAC · AVIATION ISAC · ONG-ISAC · NGO ISAC · FS-ISAC

ME ISAC · IT ISAC · H-ISAC · RETAIL & HOSPITALITY ISAC · AUTO-ISAC · National Defense ISAC

**Through the program SecurityScorecard**

**Provides all ISAC members** with a complimentary Enterprise License of our Security Ratings Platform that they can leverage to monitor themselves and up to five vendors, suppliers or competitors

**Equips the ISAC itself** with a license that it can leverage to monitor its members and an unlimited number of vendors, suppliers or competitors

**Provides members** with insights, best practices and thought-leadership as it relates to the use-cases SecurityScorecard supports (VRM, Compliance, Board Reporting, Benchmarking, Self-Monitoring)

**\*** In addition, all members enjoy access to a discounted price book if they were to choose to expand beyond the complimentary license provided.

## To take advantage of the ISAC offer, please contact us via the email alias that maps to your respective ISAC:
